EXPERIENCE

HR Recruiter Nov 2024 - Sep 2025
DB Consultancy Agency (now Hiring Ninja)

Accomplished 100% timely closures by leveraging multiple job portals and identifying high-quality talent, resulting in improved hiring outcomes.

Achieved significant team productivity gains by leading and mentoring a team of 10 recruiters and interns, and implementing efficient data management processes using HR tools and MS Excel.

Built and maintained a strong talent pipeline, reducing turnaround time for open positions and improving overall hiring efficiency.

Spearheaded client onboarding by pitching commercials, negotiating terms, and ensuring seamless follow-ups, resulting in enhanced client relationships and improved hiring outcomes.

Management/Social Work Intern Jun 2024 - Aug 2024
Yash Chopra Foundation

Designed and implemented informational materials using Canva, resulting in improved communication and awareness among Saathi members.

Facilitated Ayushman Card creation and resolved queries related to the Saathi Program, ensuring seamless execution and improved member satisfaction.

HR Intern - Recruitment & Operations Nov 2025 - Present
Marketincrew

Streamlined the end-to-end recruitment lifecycle, including job postings, candidate screening, and interview coordination, resulting in efficient hiring outcomes.

Improved onboarding processes, ensuring seamless documentation and smooth joining experiences for new hires, and reducing operational inefficiencies.

Conceptualized and executed employee engagement initiatives, fostering a positive and inclusive workplace culture, and improving overall employee satisfaction.

PROJECTS

Automated Candidate Outreach System

Google Sheets, AI tools

Designed an AI-assisted Google Sheets workflow to manage 500+ applicants from hiring campaigns

Reduced manual outreach time by automating personalized WhatsApp communication using dynamic candidate data, resulting in improved hiring efficiency.

Implemented structured follow-up messaging, increasing candidate response rates and improving overall hiring outcomes.
