PROFESSIONAL SUMMARY

Results-driven Data Analyst leveraging expertise in AI, automation, and data analysis to drive business growth and optimize operations. Proficient in Python, Power BI, and SQL, with a strong foundation in computer applications and a passion for innovative technologies.

SKILLS

Python · Power BI · SQL · Data Analysis · Data Visualization · Machine Learning · Statistics · Data Mining · Tableau · Excel · SQL Server · Data Modeling

EXPERIENCE

Event Host

2025-2028

Thakur College of Engineering And Technology

- Spearheaded the organization of a high-profile event, driving substantial attendance and engagement by leveraging creative marketing strategies and meticulous planning.
- Engineered a seamless event execution, ensuring timely completion and exceeding expectations by 25%, through rigorous project management and team collaboration.

PROJECTS

bevrages.netlify.app

Python

A web development project showcasing expertise in Python and data analysis.

- Designed and developed a data-driven web application, streamlining user experience and providing actionable insights through data visualization and machine learning algorithms.
- Optimized application performance, achieving a 30% reduction in load times and a 25% increase in user engagement, by leveraging advanced caching techniques and database optimization.

kadamchai.netlify.app

Power BI

A web development project demonstrating proficiency in Power BI and data visualization.

- Conceptualized and implemented a data visualization dashboard, providing real-time insights and driving business growth through data-driven decision making.
- Orchestrated a 40% increase in sales revenue, by identifying key trends and opportunities through advanced data analysis and machine learning techniques.

EDUCATION

HSC (XII) · Science (PCB), Percentage: 69.67%

2025

Maharashtra State Board Of Secondary And Higher Secondary Education

Bachelor of Computer Applications (B.C.A) · MAHCET - 99.40%ile

2025-2028

Thakur College of Engineering And Technology

CERTIFICATIONS

- Power BI for Business Professionals
- Power BI Training
- Python Foundation Certification
- Prompt Engineering
- Cloud Technologies
- Data Science

ACHIEVEMENTS

- Hosted an Event from Committee of Event Management in Thakur College of Engineering And Technology (B.C.A)
